

# **CURRICULUM VITAE**

Amai Mahesha, *Ph.D.(IIT Bombay)*

*Professor, Department of Water Resources & Ocean Engineering*

*Formerly Head of the Dept., Associate Dean (PG & Research)*

*National Institute of Technology Karnataka, Surathkal – 575 025*

*Mangaluru, INDIA; E-mail: amaim@nitk.edu.in; Web: <http://www.nitk.ac.in>*

*Tel: + 91 0824 2473306 (O); + 91 0824 2474306 (R); Fax: + 91 0824 2474033*

*Member- ASCE, AGU, IAHS, IAHR, FIE, ISH, IAH, ISTE*

## **Academic**

B.E. ( <i>Civil Engg</i> )	KREC Surathkal	1985
M.Tech. ( <i>Hydraulics &amp; Water Resources Engg.</i> )	KREC Surathkal	1987
Ph.D. ( <i>Water Resources Engg.</i> )	IIT Bombay	1993
Postdoctoral Research ( <i>Civil Engg</i> )	IIT Bombay	1993-95
Postdoctoral Research ( <i>Water Resources Engg</i> )	Technical University, Halifax, CANADA	1995-96

## **Professional experience**

Teaching at NITK Surathkal since 1996

## **Areas of Research Interest**

Water Resources Engineering, Groundwater Engineering, Numerical Modelling, Seawater Intrusion, Climate Change, Conjunctive Use.

## **Research Publications - Journals**

1. Vinod, D. and Amai Mahesha (2024). Spatial-Dependence of Extreme Rainfall and Development of Intensity-Duration-Frequency Curves using the Max-Stable Process Models. *J. Hydrologic Engg., ASCE* (in press)

### **R& D Projects**

1. *Impact of Climate Change Impact on Water Resources in River Basins from Tadri to Kanyakumari – River Basin Scale Analysis*. Ministry of Jal Shakti, Govt. of India. 2018-22; 34.159 Lakhs. (PI: Prof. Eldho, IIT Bombay; Co-PIs: Amai Mahesha, Amba Shetty, K. Varija and H. Ramesh)
2. *Unravelling Submarine Groundwater Discharge (SGD) zones along the Indian Subcontinent and its islands (Mission SGD)- Pilot Study*. Ministry of Earth Science, Govt. of India. 2018-22. 17.16 Lakhs (Co-PI)
3. *Strengthening PG teaching and research – Spectro radiometer and Random wave generator with accessories*. Dept. of Science & Technology, Govt. of India. 2014-19. 220 Lakhs (Co-PI)
4. *Status report on the efficacy of vented dams across the river Netravathi*. Dept of Science & Technology, Govt. of India. 2007-08. 0.4 Lakhs.
5. *Studies on saltwater intrusion in coastal D.K. district*. Ministry of Water Resources, Govt. of India. 2004-08; 14.5 Lakhs.
6. *Groundwater assessment and management of NMPT area*. New Mangalore Port Trust, Mangalore. 2000-03, 6.5 Lakhs (Co-PI).

### **Consultancy Works**

1. *Feasibility study on coastal reservoir construction to impound Netravathi River flood waters: A sustainable strategy for water resources development for Mangalore*. Chairman, CSSP, Indian Institute of Science, Bengaluru- 12. May – Aug. 2017.

2. *Inspection and assessment of removable sand quantity in sand bars of Netravathi, Gurpur, Nandini and Shambhavi Rivers of DK dist.* Dy. Director, Dept of Mines & Geology, Mangalore. January – May 2017.
3. *Inspection and assessment of removable sand quantity in sand bars of Kali, Gangavali and Aghanashini Rivers of UK dist.* Dy. Director, Dept of Mines & Geology, Karwar. January – February 2017.
4. *Inspection and assessment of removable sand quantity in sand bars of Sharavathi, UK dist.* Dy. Director, Dept of Mines & Geology, Karwar. August – December 2016.
5. *Surge analysis for lift 3 of Chintalpudi irrigation schemes.* Superintending Engineer, ISRMC Circle, Eluru, AP. May -September 2013. (Co-PI).
6. *Surge analysis for lift 2 & 3 of Chintalpudi irrigation schemes.* Superintending Engineer, ISRMC Circle, Eluru, AP. May-July 2013. (Co-PI).
7. *Surge analysis for lift 1,2 and 3 of Chintalpudi irrigation schemes.* Superintending Engineer, ISRMC Circle, Eluru, AP. March – September 2013. (Co-PI).
8. *Comprehensive study for drainage system for MSEZ land during 2012 monsoon.* MSEZ Ltd., Mangalore, February – May 2012. (Co-PI).
9. *Comprehensive study for the effect of river water level during flood conditions due to the strengthening of the river bank of Gurpur river on the Panambur side.* MSEZ Ltd., Mangalore, February – April 2012 (Co-PI).
10. *Comprehensive drainage system for underground streams in MSEZ-graded plots.* MSEZ Ltd., Mangalore, February – May 2012 (Co-PI).
11. *Storm water drainage study in MRPL, MSEX Corridor and OMPL areas.* MSEZ Ltd., Mangalore. April – June 2010 (Co-PI).
12. *Adequacy of drainage in the MSEZ area.* MSEZ Ltd., Mangalore. April -June 2009 (Co-PI).
13. *Cost estimation of AMR dam.* MSEZ Ltd., Mangalore. March – May 2009 (Co-PI).
14. *Hydrogeology of Kudur Farm, Kundapur.* Biome Env. Soln. Pvt. Ltd., Bangalore. May – July 2006. (Co-PI).
15. *Consultancy on the adequacy study of the existing raw water system.* MRPL, Mangalore. May -September 2007. (Co-PI).
16. *Depth and yield of well along the bank of river Netravathi.* Pavoor Gram Panchayat, Pavoor. February -April 2007.
17. *Yield test of a new open well.* NMPT Mangalore. March – May 2006.
18. *Design of water storage tanks at the ground level.* Mangalore Refineries and Petro Chemicals Ltd. May – September 2005 (Co-PI).
19. *Yield Test for open and bore wells in the campus.* Resident Engineer, NITK, Surathkal. January -May 2005.
20. *Design of effluent treatment plant.* New Pai Sales Corporation, Mangalore. September-November 2003.
21. *Design of Vented Dam at Maravoor for rural water supply project for 11 villages of Mangalore Taluk from Gurupur River under Rajiv Gandhi Drinking Water Mission.* D.K. Zilla Panchayath Mangalore. 2002-14. (Co-PI).
22. *Investigations on water logging and source of pollution around MRPL.* January – May 2000. (Co-PI)
23. *Design of Oil catcher.* Mangalore Refinery & Petrochemicals Ltd., Mangalore. January – March 1999. (Co-PI).

24. *Design of Storm Water Drainage*. Mangalore Refinery & Petrochemicals Ltd., Mangalore. 1997-98 (Co-PI).

### **Administration**

#### **Institute Level:**

1. Faculty in-charge of Guest House (2013 – 2015)
2. Associate Dean (PG & Research) – Aug. 2007 – Aug. 2010.
3. QIP Coordinator – Jan. 2008- Aug. 2010.
4. Member, Implementation Committee, DASA – 2010
5. Presiding Officer for JMET, GATE and JEE during 2008, 09 and 2010.
6. Member, Common Admission Committee for MTech Program for NITs
7. Academic Committee for Convocation during 2008, 2009 and 2010
8. Member, Senate (2007-till date)
9. Convener of Green Engineering during Engineer 2008, 09 and 10.
10. Faculty Adviser for Events during INCIDENT of 2008, 09 and 10.
11. Member, Anti-Ragging Committee during July – September of 2008, 09 and 10.
12. Counselor, IGNOU for Open Channel Flow and Hydraulic Structure for Civil Engg Students during 2008, 09 and 10.
13. Member, Institute Water Management Committee

#### **Department Level:**

1. Head of the Department: March 2017-March 2019
2. Chairman DRPC, DPGC 2017-19
3. Coordinator for M. Tech. (WREM) Accreditation program 2014-15
4. Departmental coordinator for B.Tech. (Civil) Accreditation 2013-14
5. Departmental TEQIP Coordinator 2004-09.
6. Departmental Academic Affairs Committee during 2004-2009.
7. Secretary, DPGC during 2005-06.
8. Time-table In-charge 2001-2004.
9. Secretary DRPC during 2006-07.
10. Chairman, DUGC- 2011-12.

### **Awards**

**Prof. Satish Dhawan State Award 2012-** The Department of Science & Technology, Govt. of Karnataka conferred Prof. Amai Mahesh with Prof. Satish Dhawan Young Engineer State Award 2012.

*Prof. Satish Dhawan Young Engineer State Award 2012 was conferred to Dr. Amai Mahesh by the Honorable Chief Minister of Karnataka on June 16, 2014, at the Award ceremony held at JN TATA Auditorium, IISc, Bangalore.*

### **B.Tech. Project supervision**

Sl No	Students	Title of the Thesis	Year
1.	G. Chaurasia, R. Meena and S. Saroha	Interface for groundwater level prediction using deep learning	2022
2.	Mr. Niranjan A. (co-guide)	Hydraulic transients in water conveyance system	2014
3.	Ms. Vinitha C	Effect of fresh water pumping in salt water intruded areas	2003

### **Courses Organized/ Coordinated**

1. National Workshop on “Conservation of West Flowing Rivers in Coastal Karnataka” held at NITK Surathkal during Dec. 14-15, 2012 – Joint Secretary.
2. Deans’ (Academic) Meet of NITs held at NITK Surathkal during April 3-4, 2010 – Coordinator

3. **National Conference** on Sustainable Water Resources Management (SWaRM- 2010) held at NITK Surathkal during Jan. 7-8, 2010 – Joint Secretary.
4. Refresher course on '**Irrigation Water Management**' for PWD and Irrigation Engineers of Karnataka held at NITK, Surathkal during Aug.6-10, 2007.
5. **ISTE Winter School on Water Resources Assessment and Management** held at KREC, Surathkal during 8-20 January, 2001 (Joint Organizer).
6. **Finite Element Course** for KPCL Engineers held at SJCE, Mysore, during 15-20 November 1999 (Joint Organizer).
7. **Refresher Course on Hydrology** for Engineers for PWD Engineers held at KREC, Surathkal during Aug. 19 – 23, 1997.

### **Invited Talks**

1. *Impacts of climate change on river basins of Kerala and Karnataka* at the National Symposium on Hydrological Impacts of Climate Change and Land Use Change on Water Resources of River Basins in Kerala held at CWRDM during May 27-28, 2022.
2. *Coastal aquifers of the west coast and sea water intrusion* at the conference on Water Resources of Peninsular India' held at Satish Dhawan Auditorium, IISc, Bengaluru during Feb. 11-13, 2020.
3. *Impact of climate change on river basins of Karnataka* at the National Workshop on Water Resources of River Basin Scale held at IIT Bombay during November 15-16, 2019.
4. *Saline water intrusion in coastal aquifers* at the three-day workshop on coastal reservoirs as a sustainable strategy for water security held at NITK Surathkal during 22-24 July, 2019.
5. *Storage schemes for water supply projects* at the CCE Course for PWD Engineers held at NITK Surathkal during Aug. 24-28, 2015.
6. *Design of Vented dams* at the CCE Course for PWD Engineers held at NITK Surathkal during July 27-31, 2015.
7. *Design of Anicuts* at the CCE Course for PWD Engineers held at NITK Surathkal during July 27-31, 2015.
8. *Micro hydel plants along Netravathi river from storage perspective* at the National Conference on Renewable Energy Systems and Engineering held during November 7-8, 2014 at the Vivekananda College of Engineering & Technology, Puttur, Karnataka.
9. *Application of Galerkin finite element method* – Short term course on application of Finite Element Method in Civil Engineering, May 30-June 3, 2011, NMAMIT Nitte.
10. *Galerkin finite element method* – Short term course on Application of Finite Element Method in Civil Engineering, May 30- June 3, 2011, NMAMIT Nitte.
11. *Canal recharge* – Refresher course for PWD Engineers held at NITK during October, 2008.
12. *Coastal aquifer management* – AICTE/ISTE Summer school on 'Water Resources Development and Management' held at NITK Surathkal during July 28- Aug. 8, 2008.

13. *Micro-irrigation system* – Refresher Course for PWD and Irrigation Engineers of Karnataka at NITK Surathkal during Aug. 6-10, 2007.
14. *Coastal aquifers management*- Refresher Course for PWD Engineers at NITK Surathkal during 18-21 December, 2006.
15. *Control of seawater intrusion in coastal aquifers* -- UGC/SERC School on Modeling Groundwater Pollution during 2-29 May, 2005 at UVCE Bangalore.
16. *Saltwater-freshwater interfaces in coastal aquifers*- UGC/SERC School on Modeling Groundwater Pollution during 2-29 May, 2005 at UVCE Bangalore.
17. *Urban drainage system*- AICTE/ISTE Winter school on Design and Management of Urban Core Infrastructure in India during Dec. 20-31, 2004 at NITK, Surathkal.
18. *Finite element application to groundwater modeling*- AICTE/ISTE Winter school on Finite Element application to Engineering Problems, during Dec. 6- 18, 2004 at NITK, Surathkal.
19. *Galerkin finite element method*- AICTE/ISTE Winter school on Finite Element application to Engineering Problems, during Dec. 6- 18, 2004 at NITK, Surathkal.
20. *Salt water intrusion problems-data collection, simulation and validation of numerical model*. - Work shop on Latest Trends in Ground Water Assessment and Management held at NITK, Surathkal during 18-20 June, 2002.
21. i) *Numerical techniques in Groundwater modeling*; ii) *Mathematical modeling of saline water intrusion* – at the faculty training course on Groundwater Assessment Techniques held at CWRDM, Calicut during October 3 – 20, 2001.
22. *Ground water Management in Coastal Areas - Methods to Combat Salt Water Intrusion* - at the AICTE/ISTE Winter school on Role of Geology and Geotechnology in Country Planning and development held at KREC, Surathkal during Dec. 27, 1999-Jan. 8, 2000.
23. *Seepage Analysis Under Gravity Dams Using Finite Element Method* - at the Finite Element Course for KPCL Engineers held at SJCE, Mysore during 15-20 November, 1999.
24. *Weighted Residual Methods* - at the Finite Element Course for KPCL Engineers held at SJCE, Mysore during 15-20 November, 1999.
25. *Hydrographs* - at the Refresher course on Hydrology for PWD Engineers held at KREC, Surathkal during 9-13 November, 1998.
26. *Well design and maintenance* - at the refresher course on Hydrology for PWD Engineers held at KREC, Surathkal during 9-13 Nov., 1998.
27. *Ground water Flow Modelling using Finite Elements* - at the Course on Finite Element Method on April 24, 1998 at KREC, Surathkal.
28. *Salt-water intrusion and its prevention* at the workshop on Ground water Development on Jan. 17, 1998 held at M.I.T., Manipal.
